The Sedona Historical Society is a 501c3 non-profit volunteer organization that operates the Sedona Heritage Museum and offers many other history-based programs and services. Our mission is to research, preserve and teach the history of the Greater Sedona area from 1876 to the present.

Our members & volunteers are the life blood of our organization. Last year, our volunteers contributed over 12,000 hours to a wide variety of jobs. Our member contributions make our programs possible.

Membership in the Society includes our newsletter, free admission to the Museum & guest passes, a Museum Shop discount, plus other benefits at several different levels of support. We hope you'll consider joining us as a member and perhaps as a volunteer.
